

MARKS STORY

After showing early signs of Male Pattern baldness, Mark tried many hair loss treatments which didn't give the results he hoped for he has finally found the solution perfect for him.

Although now confident enough to share his story with others, Mark will never forget how debilitating his hair loss experience was.

When we say we understand the depression and devastation that accompanies losing your hair we really do -

Going bald at the age of 30 years old was just too much to take, a keen footballer, one of the lads, Marks self esteem plummeted all he wanted was hair.

BOOK A CONSULTATION with George's hairdressing, the specialised stylist will meet you and talk about how losing your hair is affecting you and they will show you the custom made hair systems that have changed my life.

BOOK A CONSULTATION

The beauty of Hair integration is the instant results! No other treatment can give you back a full head of hair within a few hours. No matter the style or preference we can accommodate.
